

# Illuminating seal MV-LD-12-24DC

Part number: 35558

FESTO

 [General operating condition](#)

## Data sheet

| Feature                         | Value   |
|---------------------------------|---|
| Switching position indicator    | LED   |
| Type of mounting                | On solenoid valve via M3 central screw              |
| Product weight                  | 1.6 g   |
| Electrical connection           | Type B<br>To DIN EN 175301-803<br>Square design MSV |
| Operational voltage range DC    | 12 V ... 24 V                                       |
| Protective conductor connection | Available   |
| Nominal power illuminating seal | 0.05 W  |
| Degree of protection            | IP65  |
| Ambient temperature             | -25 °C ... 85 °C                                    |
| LABS (PWIS) conformity          | VDMA24364-B2-L                                      |
| Material housing                | TPE-U(PU)   |
| Colour                          | Transparent   |
