

Adapter kit HAPG-79

Part number: 537175

FESTO

 [General operating condition](#)

Data sheet

| Feature | Value |
|--------------------------------|-------------------------------|
| Mounting position | Any |
| Corrosion resistance class CRC | 2 - Moderate corrosion stress |
| LABS (PWIS) conformity | VDMA24364-B2-L |
| Ambient temperature | 5 °C ... 60 °C |
| Material adapter | Aluminium |
| Material plate | Wrought aluminium alloy |
