

# Sensor bracket SIEZ-NB-6,5

Part number: 538344

FESTO

 [General operating condition](#)

## Data sheet

| Feature                                     | Value                   |
|---|-------------------------|
| Ambient temperature                         | -25 °C ... 80 °C        |
| Size  | 6.5 mm                  |
| Type of mounting                            | With through-hole       |
| Product weight                              | 9 g                     |
| Material housing                            | anodised                |
| Corrosion resistance class CRC              | 0 - No corrosion stress |
| Additional information for sensor selection | Mounting components     |
