

# Position indicator SASF-F9-DE-20-A20

Part number: 8147093

FESTO

 [General operating condition](#)

## Data sheet

| Feature                     | Value            |
|-----------------------------|------------------|
| Dimensions (W x L x H)      | Ø 50 mm x 20 mm  |
| LABS (PWIS) conformity      | VDMA24364-C1-L   |
| Ambient temperature         | -20 °C ... 80 °C |
| Product weight              | 29 g             |
| Position indicator          | Yellow/black     |
| Housing colour              | Black            |
| Note on materials           | RoHS compliant   |
| Material housing            | POM              |
| Material screws             | Stainless steel  |
| Position indicator material | POM              |
